

#GivingTuesday

*Donate to FamilieSCN2A Foundation on November 27th
and **DOUBLE** or even **TRIPLE** your impact!*

On Giving Tuesday, please support our 'Take Action, Create Potential' research campaign to impact the lives of those living with autism and epilepsy as a result of a change in the SCN2A gene.

To date we have raised \$28,424 which is approximately 57% of our goal of \$50,000 by 2018 year-end.

All donations made to the FamilieSCN2A Foundation on #GivingTuesday **will be matched by a generous donor up to \$10,000! In Addition, your Facebook donation could have TRIPLE the impact!**

Make a gift through [Facebook](#), start a [Facebook Fundraiser](#), or [donate directly to us](#) on #GivingTuesday to triple the impact.

On #GivingTuesday, Facebook and PayPal will **match up to \$7 million of donations** made through Facebook ([see details](#)). Donations will be matched dollar for dollar on a first-come, first-served basis, **starting at 8:00 am ET (5:00 am PT) on Tuesday, November 27, 2018**. Processing fees are **waived** for donations made to FamilieSCN2A Foundation through Facebook, ensuring 100% of your gift supports our mission *"to improve the lives of those affected by SCN2A related disorders through clinical research, effective treatments, public awareness, early detection, patient advocacy, and family support."*

Not on Facebook? No problem!

Double your impact by donating through www.scn2a.org on November 27, #GivingTuesday.

Thank you for *taking action* and *creating potential* for a CURE for SCN2A!
